We do not have responsibility with missing file of this book.

Itâ€™s been five years since Summer Marks was brutally murdered in the woods.

Everyone thinks Mia and Brynn killed their best friend. That driven by their obsession with a novel called *The Way into Lovelorn* the three girls had imagined themselves into the magical world where their fantasies became twisted, even deadly.

The only thing is: they didnâ€™t do it.

On the anniversary of Summerâ€™s death, a seemingly insignificant discovery resurrects the mystery and pulls Mia and Brynn back together once again. But as the lines begin to blur between past and present and fiction and reality, the girls must confront what really happened in the woods all those years agoâ€”no matter how monstrous.
